*...in Memory
of Dan Nagy*

Dan Nagy, high school, USSA, and collegiate ski racer, lived his life to the fullest. His love for the sport of skiing, his talent and dedication made him a familiar face on the racing circuits throughout the Midwest. Not only was he an All State high school racer from Hartland Arrowhead and collegiate All American at St. Olaf College, but he was an active all around athlete and sportsman who relished hunting, fishing, windsurfing, water skiing, sailing, flying and riding his Harley. Most of all, Dan was a devoted son and brother, a loving husband to Colleen, and an amazing father to his two children, daughter Mckenna, age 8 and son Andrew (Drew), age 6. His tragic death on August 14, 2006 at the age of 30 left a hole in the close knit ski racing community that will be impossible to fill. We all miss his friendly smile, his wit and humor, and his passion for living. Dan, we were lucky to have been part of your life !
